GREENFIELD INSTITUTE OF TECHNOLOGY
STUDENT HANDBOOK 2025-2026
(FICTIONAL SAMPLE DOCUMENT FOR TESTING)

==========

This document is fictional sample content created for testing the DocuMind AI application. All policies, dates, names, and details are entirely made up.
To use this for testing, convert it to a PDF using any text-to-PDF tool (e.g., Microsoft Word, Google Docs, or an online converter).

CHAPTER 1: ATTENDANCE POLICY

1.1 Minimum Attendance Requirement

All students must maintain a minimum attendance of 75% in each subject to be eligible to appear in the end-semester examinations. Attendance is calculated separately for lectures, tutorials, and laboratory sessions.

1.2 Attendance Tracking

Attendance is recorded digitally using the GIT Student Portal. Students must mark their attendance within the first 15 minutes of each class session using their registered student ID card. Proxy attendance is a serious disciplinary offense and will result in suspension for a minimum of two weeks.

1.3 Medical Leave

Students who miss classes due to medical reasons must submit a medical certificate from a registered medical practitioner within 7 working days of returning to campus. Medical leave applications are reviewed by the Dean of Student Affairs, Dr. Priya Sharma. Approved medical leave counts toward the attendance requirement, up to a maximum of 15% of total classes.

1.4 Attendance Shortage

Students whose attendance falls below 75% will receive a warning notification when their attendance reaches 78%. Students below 70% attendance will be debarred from the end-semester examination and must repeat the course in the next academic cycle. Appeals can be submitted to the Attendance Review Committee before November 15, 2025.

CHAPTER 2: ASSIGNMENT SUBMISSION POLICY

2.1 Submission Format

All assignments must be submitted electronically through the GIT Learning Management System (LMS) at https://lms.greenfield-institute.edu (fictional). Submissions must be in PDF format unless the instructor specifies otherwise. Each submission must include a cover page with the student's name, roll number, subject code, and submission date.

2.2 Deadlines

Assignment deadlines are published on the LMS at the beginning of each semester. The standard submission window closes at 11:59 PM IST on the due date. Late submissions are accepted with the following penalties:

- Up to 24 hours late: 10% marks deduction
- 24 to 48 hours late: 25% marks deduction
- 48 to 72 hours late: 50% marks deduction
- More than 72 hours late: Assignment will not be accepted

2.3 Plagiarism Policy

All assignments are checked using automated plagiarism detection software. A similarity score above 30% will be flagged for review. Confirmed plagiarism results in zero marks for the assignment on the first offense, an F grade in the course on the second offense, and academic probation on the third offense.

2.4 Group Assignments

Group assignments must clearly list all contributing members. Each group member must submit an individual contribution statement. The maximum group size is 4 students unless specified otherwise by the course instructor.

CHAPTER 3: LABORATORY SESSIONS

3.1 Laboratory Schedule

Laboratory sessions are held according to the timetable published by the Department Office. Each lab session is 3 hours long. Students must arrive within the first 10 minutes; late arrivals will not be permitted to enter the laboratory.

3.2 Laboratory Requirements

Students must bring the following to every lab session:

- Lab manual (printed or digital copy)
- Lab record book (hardbound, 200 pages)
- Student ID card
- USB drive for saving work (minimum 8 GB)
- Appropriate safety equipment as specified for the lab

3.3 Lab Report Submission

Lab reports must be submitted within one week of completing the experiment. Reports must follow the standard format: Objective, Theory, Procedure, Observations, Calculations, Results, and Conclusion. Handwritten lab records are preferred for experimental courses. Digital submissions are accepted for programming and simulation labs.

3.4 Safety Regulations

All students must complete the mandatory Laboratory Safety Training module on the LMS before attending their first lab session. The training must be completed by August 10, 2025. Students who have not completed the safety training will not be allowed to enter any laboratory.

3.5 Equipment Damage

Students are financially responsible for any laboratory equipment damaged due to negligence. The cost of damaged equipment will be added to the student's fee account. All equipment damage must be reported immediately to the Lab Supervisor, Mr. Rajesh Kumar.

CHAPTER 4: PROJECT DEADLINES AND GUIDELINES

4.1 Final Year Project Timeline
The final year project follows a two-semester schedule:

Semester 7 (Odd Semester):
- Topic Selection and Approval: August 25, 2025
- Literature Survey Submission: September 15, 2025
- Project Proposal Presentation: October 1, 2025
- Mid-Semester Progress Review: October 20, 2025

Semester 8 (Even Semester):
- Implementation Phase 1 Review: February 1, 2026
- Implementation Phase 2 Review: March 15, 2026
- Final Project Report Submission: April 10, 2026
- Project Demonstration and Viva: April 20-25, 2026

4.2 Project Report Format
The project report must be between 60 and 100 pages, formatted according to the GIT Project Report Template available on the LMS. The report must include: Abstract, Introduction, Literature Review, Methodology, Implementation, Testing, Results, Conclusion, and References.

4.3 Project Guide
Each student or team must have an assigned faculty project guide. Students must meet their project guide at least twice a month. Meeting logs must be maintained and submitted with the final report.

4.4 External Projects
Students undertaking projects in collaboration with external organizations must obtain prior approval from the Head of Department by August 15, 2025. An MOU between the institute and the external organization is required.

CHAPTER 5: STUDENT SUPPORT SERVICES

5.1 Academic Counseling
Each student is assigned an academic counselor from the faculty. Counseling sessions are held every Wednesday from 3:00 PM to 5:00 PM. Students struggling academically can request additional sessions through the Student Affairs Office in Room 201, Block A.

5.2 Mental Health Support
The institute provides free counseling services through the Wellness Center, located in Block C, Ground Floor. Appointments can be booked through the student portal or by calling extension 4567. The Wellness Center is open Monday to Friday, 9:00 AM to 6:00 PM. All sessions are strictly confidential.

5.3 Library Services
The Central Library is open from 8:00 AM to 10:00 PM on weekdays and 9:00 AM to 6:00 PM on weekends. Students can borrow up to 5 books at a time for a period of 14 days. The digital library provides access to over 50,000 e-books and 10,000 research journals through IEEE Xplore, Springer, and ACM Digital Library subscriptions.

5.4 Financial Aid
Students facing financial difficulties can apply for the GIT Merit-cum-Means Scholarship. Applications open on July 1, 2025, and close on August 31, 2025. The scholarship covers up to 75% of tuition fees based on academic performance and financial need. Contact the Financial Aid Office at finance@greenfield-institute.edu (fictional).

5.5 Placement Cell
The Training and Placement Cell organizes campus recruitment drives from September to March. Students must register on the placement portal by August 20, 2025. The placement cell also conducts aptitude training, mock interviews, and resume workshops starting from July 15, 2025.

END OF STUDENT HANDBOOK
